EXPERIENCE

Fighting Irish Media • Notre Dame, IN • August 2017—present

Production Assistant

- Feature content producer/editor for Notre Dame women's basketball, women's soccer, and swim and dive programs. Filmed every home and away women's basketball game. Developed content plans for each sport. Also produced and edited content for football, hockey, men's golf, track and field, and fencing.
- Worked directly with coaches, student athletes, and team representatives daily to fulfill needs of each program.
- Filmed football post-practice press conferences.
- Edited video series *Irish Wired* for fall 2019 football season.
- Operated live video board camera in venue and provided live official statistics for NBC Sports hockey broadcasts.
- Assisted with the production of *Inside Notre Dame Men's Basketball*, numerous team and recruit production day events, and various radio shows featuring Notre Dame coaches.
- Served on various committees during the COVID-19 crisis, including the Return to Work committee and the Return to Competition committee. Also served on the production equipment committee.

Production Assistant, Student Editor

- Edited video features used to introduce the live tribute events during home football games.
- Edited videos per semester using Adobe Premiere Pro for various athletic events, including men's/women's soccer, volleyball, ice hockey, men's/women's basketball, women's lacrosse and fencing.
- Logged game footage and athlete interviews using Cat DV Pro on a regular basis for all Notre Dame sporting events.
- Created hype video for 2018 Blue & Gold Game - I competed with peers to win this honor.
